### **Requirements and Recommendations:**

- Prior to the awards' submittal, the person making the nomination is to make sure the Supervisor / Department Director is aware before it is submitted. Additionally, if the nominee is a department Director, their City/County Manager must be aware of the nomination before it is submitted.
- When submitting awards, first determine the appropriate network, award category, and population category prior to starting the submission. The Awards Committee recommends writing your nomination first within a Word document so that you can carefully review and proof it and confirm the word count prior to copying it into your online submission. Each award features eligibility criteria. The Awards Committee reserves the right to determine if nominations meet eligibility requirements.
